

Returning Materials to Edmonton

Packing materials we reuse:

- Bubble wrap
- White packing foam
- Gray convoluted foam (soapstone)
- Packing paper

Boxes we reuse

- Soapstone mailers
- Soapstone boxes that hold 2 mailers
- Boats boxes – singles
- Boats boxes that hold 2 sets of Boats
- Birdhouse boxes
- Clay Plate mailers

1. Compile all of your packing materials and boxes into as few shipments as possible.
 - Leave the Soapstone mailers assembled with convoluted foam inside
 - Extra Soapstone shapes can be left in the boxes
 - Place these boxes back in the boxes they were shipped down in
 - Tape boxes closed
 - Compile remaining packing materials into a box or two
 - Break down any remaining boxes and bundle them together using string and/or tape
2. Email supplies@tpet.ca indicating how many boxes and/or bundles are ready for pick up.
3. Canpar will generally pick up in the next day or two and will bring the shipping labels with them.
 - If you will not be home, label the boxes as 'Teacher's Pet' and leave the shipment outside
4. Once picked up, the boxes and bundles will be returned to Edmonton at no cost to you!
