TEACHER PACKAGE

Thank you for booking a Teacher's Pet In-School Field Trip!

TEACHER'S PET™

In this package, you will find some key documents that will help you prepare for your upcoming fieldtrip. This package includes:

- ✓ Field Trip Form
- ✓ Checklist Letter
- ✓ Learning outcomes that will be explored during the fieldtrip
- ✓ Information Sheets about payments and volunteers

★ Please use the Checklist Letter as your guide as you prepare your classroom for our visit.

Please note that all documents are copyrighted and any reproduction or distribution of these documents electronically or otherwise, in whole or in part, is strictly prohibited except for the purposes of this singular scheduled field trip.

If you have any questions, please feel free to contact us at

- ★ 780 434 8224
- ★ 1-888-634-8738 for Calgary
- ★ Email: fieldtrips@tpet.ca

We are looking forward to visiting your classroom and engaging your students in an energetic and interactive learning experience!

Best wishes,

The Teacher's Pet Team

*No bus needed!
We come to your
classroom!*

Payments

Please note our Payment Policy:

1. You will be invoiced once the field trip has taken place. This invoice will be emailed directly to the accounts payable individual at your school.
2. Payments may be by cheque or credit card.
3. If paying by cheque, please make the cheque out to **Teacher's Pet Educational Services** and mail to:
Teacher's Pet Educational Services
11215-180 Street
Edmonton, AB
T5S 0B4
4. If paying by credit card, please call the office at:
780 434 8224 (Edmonton)
1 888 634 8738

Please note: We are an approved vendor in your school district.

Volunteers

Volunteers are an integral part of your classroom and during this field trip. On your checklist letter and on the field trip form, you will find a suggested number of volunteers that are needed for this event. Please be aware that there may be components of this field trip where volunteers will need to read English. If this is difficult for some of your volunteers, we will try to place them at stations with little or no reading but this is not always possible.

Student Booklets

Teacher's Pet is going green! We are committed to helping the environment in accordance with green initiatives undertaken within schools. We are currently in the process of reducing the length of or eliminating the student booklets that have been used in our field trips. We understand that photocopying costs are steep and excess paper usage is not good for the environment.

As change takes time, some our field trips will still have a reproducible student booklet this year. We thank you for your patience during this time of transition.

Wetlands

IN-SCHOOL FIELD TRIP FORM

A Teacher's Pet Educational Services In-School Field Trip is visiting our classroom! Our students will have an opportunity to participate in interactive stations while learning several key components of the curriculum.

Here is brief outline of our learning adventure!

Wetlands

Students will learn about the unique wetlands ecosystem. There will be water to clean, identification wheels to make and games to play as they learn how plants and animals have adapted to life in the wetlands.

Date of presentation: _____ Time of presentation: _____

Cost: _____ Please return your payment for this event by _____

✂ -----

I hereby give my son/daughter _____ permission to participate in the Wetlands In-School Fieldtrip on _____ at _____ AM/PM.

Date: _____ Signature: _____

Amount enclosed: _____

In order for your child to receive the maximum benefit from this field trip, we will require 3-4 volunteers to help out in station activities. Please arrive at least 15 minutes before the scheduled field trip time to receive instructions.

I will be able to volunteer.
 Name/phone number: _____

I am sorry, but I will not be able to volunteer.

Wetlands

CHECKLIST

The following is a checklist to help you prepare for this exciting event. We kindly recommend that this checklist is followed to ensure a smooth and productive field trip.

Before the field trip:

- If it is your policy to send home a field trip form letter for in-school field trips, you are welcome to use the one included in this package. It has been provided for your convenience!
- 3-4 volunteers are required for this field trip.
- There is NO Student Booklet.

Day of the field trip:

- Please organize your classroom in the following way:
 - 5 station areas are required. Either tables or desks pushed together will work.
 - Station 1 will require water.
 - Please provide paper towels.
- Divide your class into FIVE groups. Students do not need to be in these groups at the beginning of the field trip but will break into their groups shortly afterwards. If you have already decided how the students will be divided up, it will ensure a smooth transition. Please note that stations require students to read their own instructions. You may want to consider having at least one strong reader in each group.
- The Teacher's Pet representative will arrive approximately 15-20 minutes prior to the scheduled field trip to set up stations and talk to parent volunteers (if there are any).

During the field trip:

- Students rotate through the five wetland stations.
- The Teacher's Pet representative does not replace the classroom teacher. It is beneficial for the classroom teacher to roam freely to provide positive reinforcement and troubleshoot. This is a great opportunity to monitor and assess your students' learning!
- Since students are quite involved during the field trip, it is necessary for them to stay in for recess.

After the field trip:

- Please fill out the online evaluation form found at <https://tpet.wufoo.com/forms/r7x3a7/> . Your input is very valuable and very much appreciated!

Payment:

- Please refer to the Payment section included on the "For Your Information..." page for detailed information about our Payment Policy.

Please contact us if you have any questions or comments. Thank you for allowing us the privilege of visiting your classroom!

Best wishes,
The Teacher's Pet Team

Wetlands

LEARNER OUTCOMES

The following **Learner Outcomes** are explored to varying degrees within the 2 hour Grade 5 In-School Field Trip, Wetlands.

Topic E: Wetland Ecosystems

General Learner Expectations

Students will:

5–10 Describe the living and nonliving components of a wetland ecosystem and the interactions within and among them.

Specific Learner Expectations

Students will:

1. Recognize and describe one or more examples of wetland ecosystems found in the local area; e.g., pond, slough, marsh, bog, fen.
2. Understand that a wetland ecosystem involves interactions between living and nonliving things, both in and around the water.
3. Identify some plants and animals found at a wetland site, both in and around the water; and describe the life cycles of these plants and animals.
4. Identify and describe adaptations that make certain plants and animals suited for life in a wetland.
5. Understand and appreciate that all animals and plants, not just the large ones, have an important role in a wetland community.
6. Identify the roles of different organisms in the food web of a pond:
 - producers—green plants that make their own food, using sunlight
 - consumers—animals that eat living plants and/or animals
 - decomposers—organisms, such as molds, fungi, insects and worms, that reuse and recycle materials that were formerly living.
7. Draw diagrams of food chains and food webs, and interpret such diagram.
